FUN IN THE SNOW

On Tuesday morning, we were blessed with beautiful, fluffy snow. The children had a

wonderful time playing, exploring and learning in the snow. We hope you have all enjoyed seeing the beautiful pictures on Class Dojo.

Thank you for your patience and care as the snow turned to ice. It has been much appreciated.

Home Learning Support

Thank you to all the parents who regularly read with their children and read to their children. This has been proved to make the biggest difference in a child's learning and education. With younger children it may be difficult to hear them read at first while they master their skills. Little and often is the key. Five minutes every night may be enough. Keep it positive and give lots of praise for the effort.
