HINDLEY GREEN

## Our Mission

*"Grow in the spirit of love and learning"*

Our Mission is to put our Catholic faith  
at the centre of everything we do

to value and respect each individual  
to inspire a love of learning

harness a natural curiosity to  
develop a thirst for knowledge

to prepare our children for opportunities and  
responsibilities in the adult world

To share our talents at the heart  
of the local and wider community

*Finally We will cherish the Christian values of forgiveness, love,  
care and respect for others, especially the more vulnerable,  
encouraging a love of learning and a zest for life.*
