### Safeguarding Children

Sacred Heart Catholic Primary school is committed to providing a safe and secure environment for children, staff and visitors and promoting a climate where children and adults will feel confident about sharing any concerns which they may have about their own safety or the well-being of others. We aim to safeguard and promote the welfare of children by protecting them from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.

The School's Safeguarding policy draws upon duties conferred by the Children Acts 1989 and 2004, The Children and Families Act 2014, S175 of the 2002 Education Act, and the guidance contained in "*Working Together to Safeguard Children*", the DfE's statutory guidance "*Keeping children safe in education*", Guidance and procedures produced by the Wigan Safeguarding Children Board. We also have regard to the advice contained in DfE's "*What to do if you're worried a child is being abused*" and "*Information Sharing – Advice for practitioners*". The policy is applicable to all on and off-site activities undertaken by pupils whilst they are the responsibility of the School.

### What is the Sports Premium?

The Government is continuing to provide funding of £150 million per annum to provide new, substantial primary school 'sport funding'. This funding is being jointly provided by the departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

***The amount that Sacred Heart Catholic Primary school will receive for 2018/19 is £16,000 with a possibility of more with extra funding (from different agencies).***
